

**Details of Seminars That Proved Successful for the Listed NCSEA MO's**

State MO	Seminar topic	Seminar speaker	Seminar price	Attendance	Comments
Maine (SEAM)	Concrete Slab Shrinkage, Curling, & Warping	Scott Tarr is a Principal Engineer, Structural Evaluation Section of CTLGroup, based in Skokie, IL	\$25.00 including appetizers	60 people (about 1/2 of our membership)	
	Building Design for Moderate Seismic Regions	Eric M. Hines, P.E., PhD, Tufts University and LeMessurier Consultants	\$40 member, \$45 non-member including appetizers	60	
Michigan (SEAMI)	Effective K factors for columns in the new AISC Code	Dr. Shankar Nair from Teng Associates in Chicago	Free, including breakfast. Sponsored by the fabricators association in Detroit.	80 people (40 members and 40 from the fabrication community)	1 PDH
Minnesota (CASE/MN)	Three topics covered: a. Understanding wood materials, b. Diaphragm & Shear Wall Design in the IBC and c. The Critical Connections.	Three presenters: a. Tom Milton - APA Eng. Wood Specialist; b. Karyn Beebe, P.E. - APA Eng. Wood Specialist; and c. Steve Brekke, P.E. USP Str. Connectors Eng. Oper. Mgr.	\$65 including breakfast, plus trade show booths, 7:00 a.m. - 12 noon	Not provided.	3 PDH
	Review of the Most Popular Structural Steel Design Guides - AISC Design Guide Series - Vibration	Chris Hewitt - AISC Senior Engineer	\$15 including breakfast, 7:30 a.m. to 9:30 a.m. Co-sponsored by Steel Fabricators & Erectors.	Not provided.	1 PDH
Nebraska (SEAoN)	BIM - Broadening the AE Industry's Horizon	Craig Thomas, J. Lloyd, C. Taylor, M. Holland	\$50 per person	48	Cookies, soda
New Hampshire (SENH)	Updates to IBC 2006 Wind/Seismic Provisions	Ed Huston	\$125 member, \$175 non-member	43	8 hrs, brkfst, lunch
	IBC Special Inspection Requirements	Jim DeStefano	\$45 member, \$55 non-member	48	4 hours, brkfst
New Mexico (SEA/NM)	Wind Engineering Using the IBC and ASCE 7	Ed Huston	\$135.00 members, \$250.00 non-members	30	5 PDHs
Pennsylvania (DVASE)	AISC - Façade Attachments to Steel Frames	Gabriel Jimenez, Ph.D., P.E., Principal, Str. Dign. Svcs Group, Walter P. Moore	\$125 members, \$175 non-members	70	4 hrs, brkfst
	Structural Integrity and the IBC	Ed Huston	Free for members, \$35 nonmembers, including breakfast	75	1 PDH
Southern Nevada (SEASoN)	Corrosion Mitigation Seminar	Tore Arnesen	No charge for members	25	
	Control Demolition Seminar	Mark Loizeaux	No charge for members	25	
SEAoT (Texas)	Geotechnical Engineering Topics: a. Expansive soils; b. Retaining wall systems; and c. Drilled shaft foundations	Three presenters: a. Scott Langerman; b. James Bierschwale - Terracon; and c. John Wooley - Fugro	\$55 member, \$75 non-member including breakfast	61	3.5 PDH's
	ACI 318 Appendix D - Anchorage to Concrete	Richard Klingner, Ph.D., University of Texas	\$55 member, \$75 non-member including breakfast	77	3.5 PDH's
Utah (SEAU)	Engineering Ethics	Jimmy Smith, Director at NIEE The Murdough Center for Engineering Ethics - The National Institute for Engineering Ethics	No charge for members. It costs SEAU approximately \$2000.00.	100+	
Vermont (SEAVT)	Special Inspections	Jim DiStefano	\$35 including dinner.	15-25	
	Hands-on Welding Class	Advanced Welding Institute in South Burlington, VT	\$35 including dinner.	15-25	
	Tall Timber Buildings	Three-engineer panel	\$35 including dinner.	15-25
