

NCSEA

Email Newsletter & NCSEA Website

NCSEA's digital marketing opportunities put YOU just one click away from thousands of structural engineers. Place your advertisement directly into engineers' inboxes through NCSEA's monthly e-newsletter, Structural Connection, or in front of practicing structural engineers who access our website, attend our events, or browse our other digital products.

Email Newsletter

NCSEA's E-Newsletter, Structural Connection, is delivered monthly to over 17,000 structural engineers

NCSEA STRUCTURAL CONNECTION

LEADERBOARD

Excellence in Structural Engineering Awards
NCSEA's Excellence in Structural Engineering Awards annually highlights some of the best examples of structural engineering ingenuity throughout the world. Projects are judged on innovative design, engineering achievement, and creativity. Multiple winners are presented in eight categories with an outstanding winner chosen from each category.

The awards are presented in the following categories:

- New Buildings < \$30 Million
- New Buildings \$30 Million to \$50 Million
- New Buildings \$50 Million to \$200 Million
- New Buildings Over \$200 Million
- New Bridges or Transportation Structures
- Forensic/Renovation/Retrofit/Rehabilitation Structures < \$20 Million
- Forensic/Renovation/Retrofit/Rehabilitation Structures > \$20 Million
- Other Structures
