

NCSEA Benefits for Individual Members of State SEAs

As a member of your **state-level SEA**, the following NCSEA benefits are available:

- A subscription to *STRUCTURE* magazine, the leading monthly magazine for structural engineering, both print and electronic versions.
- A subscription to *Structural Connection*, NCSEA's monthly member e-newsletter with information on NCSEA and SEA activities and events.
- An opportunity to secure a yearly subscription at a special member rate to unlimited live (*at least 30 per year*) and recorded webinars (*from a library of 170+*) available on-demand, 24/7/365. *All NCSEA webinars are Diamond Reviewed for CE credit in all 50 states.*
- An opportunity to join NCSEA Committees including: Basic Education, Code Advisory, Communications, Continuing Education, Publications, Resilience, Structural Engineering Engagement and Equity (SE3), Structural Engineering Emergency Response (SEER), Structural Engineering Summit, Structural Licensure and Young Member Group Support.
- Access to NCSEA web-based communities, including those on LinkedIn and Basecamp.
- Access to scholarships to the NCSEA Structural Engineering Summit for young members.
- Access to the NCSEA Member Portal that provides:
 - Committee documents & resources.
 - Tools for your SEA such as an MO Speaker List, the MO Toolbox and the MO Summary Report
 - Young member resources, including the NCSEA Young Member Start-Up & Resource Guide.
 - Resources for engineers, including the Essential Book list for a Structural Engineer's Library.
 - Emergency response information, including the SEER Manual.

All SEA Members already have an account. Click the MEMBER LOGIN link on www.ncsea.com to access member-only resources. If you've never logged in, use the email you provided to your SEA and the password: *Ncsea1234** (*If this process does not grant you Member Portal access, please contact us. We may have not yet received an updated list from your SEA or are in the process of updating membership.*)

- Access to the NCSEA Education Portal that provides online access to your PDH hours earned through NCSEA live and recorded webinars.
- Discounts for webinars, the NCSEA SE Refresher & Exam Review Course, the Structural Engineering Summit, and various NCSEA and ICC publications.

In addition, your SEA directly receives additional benefits from NCSEA:

- One recorded online webinar each year for free.
- Access to the Grant Program to help secure funding for Member Organization projects, programs and advancement.
- Telephone, face-to-face and web-based support to help your SEA run an effective volunteer-driven organization.
- Connection between your state SEA committees and national NCSEA Committees.
- Access to monthly MO Communication webinars to support your SEA operations.
- Recommended speakers list for your education programming.
- Exposure for your news and events through NCSEA's E-Newsletter and website.
