YMG Mentors can interact with young members in various ways. We have categorized three avenues for Mentors to interact with YMs. By hosting a video discussion of a topic of your choice, becoming a skill resource, or acting as a career/personal mentor, the YMG Support Committee can facilitate your contribution to YMs nationwide or in your area. Please choose one or multiple ways that you would like to mentor a YM or group of YMs.

**Mentoring Role:**            Video Discussion                            Skill Resource                            Career Advisor

**Mentee Preference:**            EI            Recent PE/SE                            PE/SE with 3+ Years Licensed Experience

**Availability** (Timeframe by date and/or time of day):

**What is an influential moment during your developing years as an engineer that stands out in your memory?**

**Describe your ideal role as a YMG Mentor:**

**Do you have any general advice for Young Engineers to follow as they prepare to become PE's and Senior PE's?**

**If you'd like to, please list a short biography of yourself and/or your career. (3-7 sentences)**

**Can a YM contact you directly?**      Yes      No

**Can we publish your information on the NCSEA website?** *(Note: If you do not want to be contacted directly, we will list your name and Mentoring Role, but not any contact information)*      Yes      No

**Additional Comments:**

**Please list any preferences not specifically mentioned in this Information Sheet.**
